- B. "You're welcome, have a good one."

Exceptions:

In case a driver is late to his PU, we have to combine trips, or we are using an uber (follow after STEP 3):

Late PU: "Thank you for holding. I apologize for the delay. Your driver is on the way but he is currently stuck in traffic. He is approximately '#' minutes away. I'm sorry about the inconvenience. *(Wait for the crew to thank you.)* It's my pleasure. We'll see you very soon. Have a nice day/night."

Late PU: "Thank you for holding. I apologize for the delay. Your driver was stuck behind a drawbridge but he's close. He is approximately '#' minutes away. I'm sorry about the inconvenience. *(Wait for the crew to thank you.)* It's my pleasure. We'll see you very soon. Have a nice day/night."

Combine crew: “Thank you for holding. I apologize for the delay. I just spoke to your driver and unfortunately your vehicle had a flat tire. However, we have another crew at the same hotel departing in 3 minutes. If you don’t mind, you can take that van with them. I’m very sorry about the inconvenience.”

If the crew asks if you are going to charge for both trips, please state the following:

“I assure you we will charge for only one vehicle.” *(Wait for the crew to thank you.)* “It’s my pleasure. Have a nice day/night.”

Uber: “Thank you for holding. I apologize for the delay. Your driver is very close. We have sent one of our **exclusive cars** to pick you up. He is approximately ‘#’ minutes away. I’m sorry about the inconvenience. Please look for a *(inform the type, color and brand of the Uber)*, your driver’s name is *(inform the name of the Uber driver)*. *(Wait for the crew to thank you.)* It’s my pleasure. We’ll see you very soon. Have a nice day/night.”

IMPORTANT: under **NO** circumstance you are allowed to inform the crew that you sent an uber to pick them up. It is absolutely forbidden to use this service unless it is completely and utterly necessary.

In case the crew asks for more information about the **Layover App**:

The Authentication Code is the airline code + crew. For example Alaska = ascrew (all in small caps, no spaces). After logging in, simply enter the flight number because the Airport Code is not necessary.
